## Remarks :

This Tamar 2000 is a well cared for example of these Gentleman's cruisers. The current owner has carefully upgraded where appropriate including the addition of shorepower, new

charger and fuseboard combined with a regular maintenance programme.

The Tamar 2000 class motor boats are known for their good seakeeping ability and robust construction. They provide a safe and economical all rounder for fishing, coastal cruising and inland estuary exploring. The cockpit enclosure creates significant extra living space to complement the two berth cabin with functional galley and sperate heads. An ideal day or weekend cruising and fishing boat for a couple or small group of friends.
