Broker Remarks

The Rinker 246cc is an exceptionally fast motor boat reaching speeds of up to 50 knots. Her sleek lines and stylish wrap around seating will impress guests whilst her 270hp Volvo Penta 5 litre V8 engine will provide all the power needed for a thrilling ride. This is an opportunity to buy a value for money, well made and well maintained version of Rinkers 246cc model. 'Ardath' has been serviced regularly and has a full service history. She has also been lightly used with just 305 hours on the engine. She sleeps two in the cuddy cabin down below which is surprisingly spacious and long enough for taller individuals to lie down in comfort. The adjustable helm and navigator chairs are comfortable and in good condition as are the cockpit cushions and upholstery down below. Ardath's comfort, reliability and performance make her an ideal vessel for a day out, or weekend, on the water. 'Ardath' is lying at Ocean Village Southampton.
