Broker Remarks

The Sea Loft is more than a boat—it's a pause in motion, a floating villa that carries you effortlessly from one island to another. In a world that rarely slows down, filled with crowded shores and constant noise, stepping aboard the Sea Loft 480 brings you back to what truly matters. From the first moment on deck, everything feels calmer. Quiet, eco-conscious cruising, steady comfort, and bright, open living spaces create an atmosphere designed for unwinding. Every detail encourages you to switch off, breathe deeply, and reconnect—with yourself, with nature, and with the people around you. Here, the sea becomes your home, and every journey feels like a refined escape.

This boat is available ex-vat for export. Commissioning costs of £25,000 are included based on a Mediterranean delivery.
