Princess V42

Broker Remarks

The Princess V42 is a luxury sports cruiser and motor yacht from Princess Yachts, measuring between 42 and 44 feet in length.

“Contento” is a beautifully presented 1999 example that has been well looked after throughout its ownership. Enhancement with an eye-catching grey hull and partial topside wrap, giving her a modern and distinctive appearance.

Designed for comfortable extended cruising, she is exceptionally well equipped with multiple televisions, including a large cockpit-mounted screen. Onboard comforts include warm air heating, a powerful 4.7kW generator, and a convenient tender garage.

The cockpit covers, synthetic teak decking, and cockpit upholstery have all been renewed, with the upholstery replaced in 2017, further reflecting the care and attention invested in the vessel.

Powered by the highly regarded twin Volvo Penta KAD44 engines, producing 260hp each, “Contento” is capable of achieving impressive speeds of approximately 32–35 knots.

Please call 01243 550042 to arrange a viewing.
