Jeanneau Cap Camarat 6.5 DC

Broker Remarks

Excellent opportunity to own a stylish and versatile 2018 (August) Jeanneau Cap Camarat 6.5 DC, perfectly suited to family outings, coastal cruising, fishing, and water sports.

Equipped with a powerful Yamaha 150 HP outboard engine, the Cap Camarat 6.5 DC delivers excellent speed and agility. It was designed for smooth cruising, making it suitable for both leisurely outings and more spirited adventures. The boat handles very well in choppier conditions due to it's deep V-shaped hull design.

The sought-after DC version features an enclosed cabin — a design no longer produced by Jeanneau — providing added shelter and comfort when weather conditions become less favourable.
