Jeanneau EX 34

Broker Remarks

The Jeanneau EX 34 Hardtop combines the practical qualities of an adventure boat with the comfort, style and sophistication of a modern cruiser. Designed for owners who enjoy exploring further, entertaining friends and family, and boating throughout the year, the EX 34 offers an impressive blend of performance, versatility and contemporary design.

Powered by twin Yamaha 300hp outboard engines, with the option to upgrade to twin 350hp units, the EX 34 delivers impressive performance together with responsive handling. Her deep-V hull has been designed to provide a confident and comfortable ride in a wide range of sea conditions. The distinctive hardtop provides excellent protection around the helm while retaining an open, spacious and sociable feel.

The generous cockpit is ideally suited to entertaining, relaxing or enjoying watersports, with flexible seating arrangements and multiple options for creating comfortable sunbathing areas. An aft cockpit galley can also be specified, adding further practicality when spending extended periods aboard.

Below deck, the EX

34 offers two cabins with four berths, providing comfortable accommodation for overnight stays and longer cruising adventures. The bright, contemporary interior is thoughtfully laid out, with practical storage and the high-quality features expected from Jeanneau.

With her generous beam, excellent fuel capacity and well-balanced combination of outdoor living space and comfortable accommodation, the EX 34 is equally at home as a fast day boat, family cruiser or capable adventure vessel.

The advertised price includes VAT, UK delivery and commissioning.

The vessel benefits from the reassurance of Jeanneau's 10-year hull warranty, a 3-year warranty covering general fixtures and fittings and Yamaha's 5-year outboard engine warranty.

For further information or to arrange a viewing, please contact us on 01243 550042.

Part exchange considered.
