Jeanneau Tonic 23

Broker Remarks

The Jeanneau Tonic 23 is a fast, easily handled cruising yacht that sleeps four. There is a separate heads compartment, good sized saloon with folding table and surprisingly good headroom for her size. Snow Goose is the popular lift keel version which allows her access to the shallowest of cruising grounds. This Jeanneau Tonic 23 is in very good condition throughout and has been very well maintained and upgraded by her present owner. Her powerful 9.9hp outboard was new in 2020 and benefits from an electric start system. All her sails are in good condition. The Jeanneau Tonic 23 can be easily trailer sailed. Snow Goose can be viewed 7 days a week in the Christchurch area. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.

Accommodation

The Jeanneau Tonic 23 sleeps 4 in an open plan double forward berth and a double aft cabin. There is a sea toilet in a separate heads compartment with a sink and 30L holding tank. The saloon is large with good head room and a folding table.
