# Jeanneau Sun fast 37

## Broker Remarks

The Jeanneau Sun Fast 37 is a cruiser-racer designed to be fast, manoeuvrable and reliable at sea. With a deeper lead keel, a deeper rudder, a deck stepped mast and a taller rig than the Jeanneau Sun odyssey the sun fast is performance orientated as well as comfortable. Whilst an agile boat they are a category B vessel designed for off shore and coastal cruising and as such are seaworthy even in heavier seas. The accommodation on board is spacious and comfortable with an elegant design that allows space to entertain. She has a fully functioning galley with a new gas cooker, a deep fridge and storage space.

'Stormtrooper' has lived up to the pedigree of the model and competed in the fastnet race twice and won first in class in the round the island race. While she has been used, her condition is good having been well cared for, maintained and upgraded by her previous owners. She has had a new engine fitted in 2018 with only 305 engine hours. The standing and running rigging have been replaced recently and she is antifouled and ready to sail away immediately. This is an excellent vessel suitable for racing and extended offshore journeys.

She is available to view 7 days a week. Please contact Douglas Ross on 07469972705 to arrange a viewing.
