Seaward Marine 25

Broker Remarks

The Seaward 25 is a well constructed motor-cruiser renowned for its robustness and sea-keeping abilities. The semi-displacement hull and twin Yanmar engines provide a surprising turn of speed and the sturdy wheelhouse will keep you protected from the weather on your voyage. This is a great boat for exploring coastlines and traversing challenging sea conditions. The design is similar to that of the Nelson pilot boats, which have proved their ruggedness and capability of dealing with rough seas time and time again. Designed with comfort, safety and practicality in mind the Seaward 25 will take care of you on your journey and keep you warm and dry in the meantime.

The interior is finished excellently in wood and down below is a spacious front cabin with comfortable seating, a fully functioning galley with an oven and a two burner hob as well as a heads compartment. Outside, on deck, there is plenty of space for activities like fishing and the removable cockpit tent means it is an ideal place to sit and catch the sun.

The wheel house has comfortable pilot and and

navigatorseats is complete with a full set of navigational equipment. 'Tempus Fugit' is ready to put to sea immediately.

Please contact Douglas Ross on 07469972705 to arrange a viewing.

Accommodation

The Seaward 25 sleeps four in a forward cabin with a removable table and two berths in the cockpit. She has a heads compartment with a Jabsco sea toilet piped to a holding tank and washbasin.

The galley area has a two burner stove ,grill and oven , a stainless steel sink and storage.
