Viko Yachts S21

Broker Remarks

The Viko 21 is a modern cruising trailer sailor that is excellently designed to give you as much space as is possible for a 21 foot yacht. The layout of the cockpit is well designed, allowing space for you and your crew to sail freely. Down below is similarly well designed with a single cabin with two double berths. The Viko 21 is a fast, manoeuvrable craft ideal for day trips, weekend trips and racing. Her centreboard with shallow draft lets you explore coastal regions and up shallow rivers.

'Angel' was launched in 2023 and is essentially a 'new' boat. She is a high specification version of a Viko 21 with an imitation teak cockpit, a backstay fitted, tricolour nav lights, a roller reefing jib, a bilge pump and heads fitted, a fixed bowsprit for a 23 square metre gennika that is new and unused and cleats fitted to aft to control the gennika. She also comes with a trailer and a 5hp Mercury Sail Master outboard. This is the best Viko 21 on the market.

This Viko 21 is a quick and capable coastal cruising yacht, she is exciting to sail and provides a safe,

comfortablecruisingexperience.
