Broker Remarks

The Beneteau First 35 is a fast cruising yacht designed for the sailor. It's timeless design offers an excellent blend of comfort and performance. Renowned for its responsive handling, solid construction and elegant lines this is a yacht that offers exciting sailing and comfortable accommodation. On deck she has a spacious cockpit with a tiller for that classic sailing feel and all lines lead aft to cockpit making her easily sailed short handed. Down below the interior, designed by French industrial architect and designer Phillipe Starck, is bright and inviting featuring warm wood finishes and a practical layout. She comfortably sleeps 6-8 people in two cabins and a spacious saloon and there is ample storage throughout. The well-equipped galley, navigation station and functional heads compartment make extended stays on board both comfortable and convenient.

Powered by a reliable inboard diesel Volvo 2003, she offers dependable motoring when needed. Her balanced hull design ensures a smooth stable ride while still delivering lively performance. She has been well

cared for by her present owner and is
available to view upon request.

If you would like to arrange a viewing please
