Broker Remarks

This is an excellent example of BWM's 6.3 metre animal RIB. Well maintained throughout its life, 'Elfreda' is a rigid inflatable built for leisure and adventure. Reaching top speeds of over 50 knots and cruising comfortably at 25 knots, this is the ideal boat for port-hopping coastal adventures, day trips and watersports. With a stepped GRP hull and a 150hp Honda Zetec outboard, she skips across the water at high speeds and is easily manoeuvred. A roadworthy trailer is included in the sale.
