Maxum 2300 SC

Broker Remarks

Rosie is a versatile Maxum 2300 SC, perfect for day cruising and overnight stays. Her 5.0L MPI Mercruiser engine with approx. 343 hours provides a great balance of power and efficiency. The cockpit offers good seating, with a bimini and sprayhood for protection from the elements. Additional features such as a coolbox, transom shower, and rod holders make her well-suited for both leisure and fishing.

The cabin includes seating forward, a small galley and a cassette toilet, with storage, making overnight stays more comfortable. A trailer is included, with new tyres fitted in 2024 and bearings checked in 2024, making her a great option to tow around and launch at different areas. The owner has self serviced her and is currently servicing the outdrive to make sure it's ready to go.
