Broker Remarks

6.3m Versadock available, offering a practical and reliable solution for keeping your boat dry, secure, and ready to launch at a moment's notice. Known for its durability and low-maintenance design, this floating dock is ideal for boats up to 6.3 meters, providing stable support and protection from hull fouling and wear. Easy to install and use, it's a smart investment for both private and commercial boat owners looking to extend the life of their vessel and reduce ongoing maintenance costs. Contact us today for more details or to arrange a viewing.
