# Bella 500 BR

## Broker Remarks

This is a tidy and well-presented example of the ever-popular Bella 500 Excel – a really versatile little day boat that's ideal for getting out on the water with friends or family.

She's fitted with the Mercury 90HP Optimax, an outboard that gives great pull and holeshot which makes towing for watersports a breeze. The engine has just had a full service including belts, with receipts to show.

The boat sits on an EXT1300 roller trailer that makes launching and recovery straightforward for anyone.

A factory-fitted bimini with full canopy enclosure gives you protection from the elements, while the wood-effect flooring adds a touch of class to the cockpit.

She also comes with a winter cover, SmartCraft digital engine gauges, Garmin plotter, and the original paperwork and manuals.

All in all, a solid package that's ready to hitch up and go!

### MORE PHOTOS TO FOLLOW

# Mechanical and Rigging
