Botnia Targa 32

Broker Remarks

PART EXCHANGE & FINANCE AVAILABLE ON THIS BOAT

SEAKEEPER, ZIPWAKES, MASTERVOLT INVERTER - HIGH SPEC

The Targa 32 has long been regarded as one of the most capable boats in her class, offering reassuring seakeeping and serious offshore ability. Plan C takes that pedigree and elevates it further with a fantastic specification.

The grey hull and full Blackline styling package give her a sharp, purposeful look that turns heads in any harbour, while inside she feels every bit the premium Scandinavian build – with solid teak joinery, considered ergonomics, and a wheelhouse that makes you want to head out in all conditions.

Fitted with all the right extras including Zipwake interceptors, Seakeeper stabiliser, Raymarine navigation suite and upgraded Fusion audio, she's every inch the proper boat.

Anode March 2025

Antifouled March 2025

Service March 2025
