Jeanneau Merry Fisher

Broker Remarks

Larger 200HP Engine, Low Hours, Lowrance HDS Plotter
Blackstar is a single-owner Jeanneau Merry Fisher 795 from 2016, fitted with the ever-popular Yamaha 200HP outboard and showing light use with just around 130 hours. She's an easy-to-handle, family-friendly cruiser with a clever layout and versatile design — equally happy fishing or weekending. This particular example includes some nice upgrades such as teak on the swim platforms, full cockpit cushions, a convertible co-pilot bench, and a Lewmar electric windlass. Inside, there's comfortable seating, sleeping for four, a compact galley and a separate heads compartment — all wrapped up in a bright and airy pilothouse layout.
