## Broker Remarks

We're pleased to bring this Hanse 301 (2001) - Swn-Y-Mor, a well maintained and versatile sailing yacht that perfectly balances performance and comfort, ideal for the discerning sailor. Whether you're upgrading from a smaller vessel or looking for a reliable yacht for longer coastal cruises, Swn-Y-Mor is the perfect choice.

Built with robust hand-laid sandwich construction and longitudinal stringers, this yacht offers unparalleled strength and stability. The sleek white hull, paired with a durable non-slip deck, ensures both aesthetic appeal and practical safety.

Equipped with a Volvo Penta MD 2010 twin-cylinder inboard diesel engine, Swn-Y-Mor promises smooth and efficient operation. The extensive sail inventory, including a mainsail with two reefs, self-tacking jib, overlapping genoa, and spinnakers, combined with the Hanse single-line reefing system, makes sailing both enjoyable and manageable.

The spacious, self-draining cockpit and ample storage offer convenience for weekend getaways or longer journeys. Modern amenities like the Webasto Diesel Forced Air Heating enhance onboard comfort, making every trip a pleasure.

Swn-Y-Mor is more than just a boat; it's a great way to unforgettable sailing adventures and a testament to quality craftsmanship. Don't miss the opportunity to own a yacht that truly stands out in its class.
