The Beneteau Antares 7.80 is a stylish and versatile cruiser, perfectly suited to day trips, weekend escapes, coastal cruising, or sport fishing. Combining Beneteau's renowned build quality with excellent sea-keeping and a practical layout, she offers an ideal balance of comfort, performance, and ease of handling.

Powered by a 150hp Suzuki outboard, she delivers a top speed of around 30 knots with a comfortable cruising speed in excess of 20 knots, making every journey enjoyable and efficient. Her thoughtfully designed interior provides comfortable accommodation for weekends aboard, while the spacious cockpit, complete with a full cockpit canopy, offers a fantastic space to relax or entertain.

"Sea Raider" has had just one owner from new and has been carefully maintained throughout, with only 227 engine hours. Included in the sale is a Bramber SRG4/250HD trailer, purchased in September 2020, making this an excellent package for anyone looking to enjoy boating with the flexibility of trailer ownership.
