Jeanneau Cap Camarat 7.5 WA

Broker Remarks

Designed for zipping across the water, the Cap Camarat 7.5 WA provides exceptional performance. The V-shaped hull designed by Michael Peters ensures good seakeeping with excellent handling and manoeuvrability, while cruising and at port, with the optional bowthruster. The modular cockpit enables you to sit comfortably on crossings, and then to fold away the bench seating in seconds to access the storage locker or to facilitate movement about the boat while at anchor.

This Cap Camarat 7.5WA is available now at a reduced price of £119,717

Part exchange and finance available

Accommodation

What is most surprising aboard the Cap Camarat 7.5 WA is the level of comfort and live-ability for a 25-foot boat. In the cockpit, an optional exterior galley, with a refrigerator, grill, sink, and optional live well or gas stove enables you entertain in open air. Slip below to find a nice spacious salon that converts to double berth, with large hull windows that flood the interior space with natural light. The private head is accessible in a separate compartment. This day boat gives you every reason to extend your getaways as a couple, whether for a weekend or longer.
