Jeanneau Sun Odyssey 380

Broker Remarks

Wherever you look aboard the Jeanneau Sun Odyssey 380, down to the smallest detail, you find a combination of high performance, flow of movement and comfort on board. The inverted bow increases efficiency downwind, responsiveness at the helm, and ease of handling at port. Recessed side decks and twin steering wheels provide secure movement about the deck while improving visibility at the helm. The lowered boom facilitates sail access and augments the sail area without weighing down the boat.

This Sun Odyssey 380 is available at a discounted price of £285,491 for a limited period

available

Accommodation

One-level interior with no door sills • Leather-wrapped handrails • LED lighting • Large, rectangular double berths • Fully-upholstered hull sides • Blinds for each hatch and opening in the forward and aft cabins • Numerous choices of interior ambiances • Large seaworthy storage spaces, seaworthy with fiddles, soft closing drawers and cabinets • Shower separate (wet area) from toilet in 2 cabins version • Chart table • Large navigation desk with leatherette lining and interior storage for a portable computer, electrical panel and books storage • Galley • L-shape galley • Laminate white counter top • Double stainless steel sinks • 2-burner stove with oven • Fridge 160 L, Sofa Lounge • Convivial and comfortable sofa lounge • Reinforced armrest for comfort at heeling

Mechanical and Rigging

ENGINE

Yanmar engine 3JH40 Common Rail Shaft Drive - 40 HP

SAILS AND RIGGING

Mainsail horizontally-cut in High Strength polyester, with UV protection • Semi-battened mainsail with 2 reefs and UV protection 35,10 m² / 378 Sq ft • 110 % furling genoa with UV protection 28,30 m² / 305 Sq ft Classic mast in anodised aluminium with double spreaders, deck-stepped • Aluminium boom with rigid vang and lowered goose neck for easier handling • Genoa furler with double slot, furling line lead aft to cockpit on coachroof • Running rigging: topping lift, mainsail halyard, genoa halyard, mainsheet, genoa sheets... in polyester • Standing rigging discontinuous 1 x 19 stainless steel wire • Genoa lead rings adjustable with 3D adjustment • Asymmetrical lazy bag with integrated lazy jacks

COCKPIT • Leather-covered stainless steel steering wheels • Telescopic bath scale • Hinged companionway doors
DECK • Flush deck hatches • Long tinted acrylic roof windows • External woodwork and inlays • Mid-ship cleats • Lifelines
HULL • Full-length chine for improved stability and speed • Long waterline for better speed while sailing and under power • L-shaped cast iron keel less exposed to seaweed and lines • Twin rudders with self-aligning roller bearings and textile lines, to increase control and pleasure in navigation • Negative bow: allows to increase waterline length while improving the fineness of the water lines • The bow rises out of the water: reduce submerged surface in light winds
