For Sale: 2009 Sessa Key Largo 30 – “No Drama”

£67,500 | Located in Plymouth, Devon | UK VAT Paid
Category B Offshore | Twin Yamaha 250hp | Turnkey
Condition

The **Sessa Key Largo 30** is a performance walk-around that combines offshore capability with comfort and design. Built in Italy to a high standard, **No Drama** stands apart from mainstream alternatives—both in build quality and in presence.

No Drama boasts a full walk-around deck layout and the rare combination of speed, overnight accommodation, and practical usability. Twin Yamaha 250hp engines provide quick, confident cruising at 22–26 knots and a top speed close to 40 knots, while her Category B Offshore rating makes her a solid choice for more exposed coastal passages or crossing open waters in changeable conditions.

The layout is equally thoughtful at anchor. A large bow sunpad, removable cockpit table, and dual galley options (inside and out) make her ideal for long days onboard or weekends away. Below deck, she sleeps four in two separate berths and includes a full-size head with hot water and quality fittings.

No Drama is a rare example of a boat that does what it says it will: it handles well, turns heads, and supports an active, adventurous lifestyle on the water—without compromise.

Perfectly suited for extended cruising with comfortable overnight accommodation, she offers far more than just a day boat.

This Sessa Key Largo 30 is one of very few in the UK. Italian-built, thoughtfully upgraded, and exceptionally well maintained, *No Drama* is the complete package for boaters seeking a capable, stylish, and versatile platform for West Country cruising and beyond.

Owner's Comments

“From the moment we saw her, we knew *No Drama* was something special. She’s fast, solid, and turns heads everywhere we go. The build quality is leagues above most boats we viewed—and she’s more than capable when the sea turns. Whether it’s waterskiing in the bay or quiet nights on anchor, she’s delivered on every front. Selling her is a tough decision, but a larger boat now suits our next chapter.”
