### Overview

A superb example of the Axis 5.3 from Northstar – this 2024 model offers the ultimate family-friendly RIB experience. Combining stylish design, rugged build quality, and a host of premium features, this is the perfect package for exploring estuaries, beach-hopping, or towing a donut offshore.

Built with performance and practicality in mind, the Northstar Axis 5.3 features a **Delta-Lift hull** for easy planing, **Hypalon tubes** for durability, and a smart deck layout that maximises comfort and storage. Powered by a **Honda BF100 LRTU 100hp four-stroke outboard**, she offers quick acceleration, smooth cruising, and legendary Honda reliability.

This boat has been **professionally maintained and stored by us** – the official **UK distributor for Northstar** and **authorised Honda Marine dealer and service centre** – since new. She's ready to hit the water and deliver summers of adventure.
