Pioneer Go

Broker Remarks

The Pioneer GO is a modern and compact 12.5ft console boat, ideal as a first boat or for relaxed family day use. Designed with simplicity and safety in mind, it offers a stable and confidence-inspiring ride thanks to its double-hull construction.

The layout maximises internal space for a boat of this size, with a central helm position providing excellent visibility and easy handling. A comfortable aft bench seat with backrest, combined with practical storage throughout, makes the boat well suited to short trips, coastal exploring, or inland waterways use.

Constructed from UV-stabilised polyethylene, the Pioneer GO is highly durable and requires minimal maintenance, making it an excellent low-hassle ownership option. Lightweight and easy to manoeuvre, it is equally suitable for experienced boaters and newcomers alike.

Accommodation

- Open console layout with seating for up to 4 persons
- Ergonomic helm position with good legroom
- Aft seating area suitable for Driver and passenger
- Practical storage for personal gear and day equipment

Mechanical and Rigging

- 20hp Honda Outboard
- Long shaft configuration
- Steering via central console with ergonomic helm position
- Low-maintenance polyethylene hull construction
- Lightweight design for efficient performance and ease of handling

- Steering console
- Aft bench seat with backrest
- Integrated mooring points
- Ample onboard storage compartments
- Twin USB charging sockets
- Bathing ladder
- Forward seating cushions
