Bavaria 33 Sport HT

Broker Remarks

The Bavaria 33 Sport HT is a stylish, low-hour sports cruiser that combines impressive performance, luxurious comfort and exceptional practicality. Built in 2018 and powered by a Volvo Penta D6-370 370hp diesel sterndrive with just 223 engine hours, she offers effortless cruising, excellent fuel efficiency and dependable performance. With a new Boat Safety Scheme Certificate (June 2026), she is ready for immediate use.

Designed for entertaining, the spacious cockpit comfortably seats up to 11 guests around a large U-shaped lounge, which converts into a generous sunbed. A wet bar with 12V refrigerator, extended teak bathing platform, hot and cold transom shower, transom gate and manual sliding hardtop create the perfect space for relaxing on the water.

The helm is exceptionally well equipped with a Garmin GPSMap 7408 chartplotter with integrated sonar, electronic Volvo controls, Bennett electric trim tabs and an electric bow thruster, making cruising and docking simple and enjoyable.

Below deck, the upgraded dark walnut interior

is bright and welcoming, featuring overhead skylights, a well-equipped galley with Corian worktops, twin-burner hob, microwave and refrigerator, plus comfortable accommodation for four with a forward double berth, separate midships cabin and a spacious heads compartment with electric flush toilet and shower.

Finished with a striking silk-grey hull, matching radar arch and dark grey camper canvas, this Bavaria 33 Sport HT is a superbly specified example, perfectly suited to entertaining, weekends away and extended coastal cruising.
