Jeanneau NC 33

Broker Remarks

Jeanneau NC33 – Launched May 2021 • VAT Paid • Joystick Pod Drive

This exceptional Jeanneau NC33, launched in May 2021, has had just one careful owner from new. With only around 130 hours of light use, she is presented in near-new condition and has been meticulously maintained throughout.

Offering 4 comfortable berths, she is a highly practical and versatile cruiser—ideal for family adventures, coastal cruising, or extended weekends away. This example boasts an impressive high specification, including joystick piloting, bow thruster, and a range of desirable upgrades that make handling effortless and enhance overall comfort and enjoyment on the water.

A truly superb example of this sought-after and highly regarded model.
