Beneteau Oceanis 37

Broker Remarks

The **Beneteau Oceanis 37** is one of the most successful cruising yachts of her generation, offering an excellent balance of performance, comfort and practicality. Designed by Groupe Finot and built by Beneteau in 2009, this popular aft cockpit cruiser provides spacious accommodation, easy handling and modern styling, making her equally suited to extended cruising or relaxed weekends afloat.

This particular example has benefitted from careful private ownership and a programme of sensible upgrades under her current British owners since 2023. Significant improvements include a full engine and gearbox service in 2025, professional underwater maintenance and antifouling in 2025, new refrigeration, new safety equipment, a new main halyard and numerous deck and cockpit enhancements. With standing rigging renewed in 2019, solar charging, bow thruster and air conditioning, she represents a highly desirable and well-equipped Oceanis 37.

The spacious three-cabin layout provides comfortable accommodation for family and guests, while the large cockpit and twin aft cabins make

herideal for Mediterranean cruising and entertaining aboard.

Highlights:

- Three cabin owner's version with accommodation for up to eight
- Standing rigging replaced (2019)
- Elvstrom furling mainsail and genoa (2015)
- Lewmar bow thruster
- Air conditioning
- Solar panels (2019)
- Rocna anchor with 70m chain (2019)
- New fridge (2025)
- Full engine and gearbox service (2025)
- Professional antifouling and underwater maintenance (2025)
- New life raft and safety equipment (2025)
- New main halyard (2025)
- British privately owned and upgraded since 2023

BROKER'S REMARKS

This Beneteau Oceanis 37 presents exceptionally well and has clearly benefited from attentive ownership and ongoing investment. Her popular three-cabin layout offers comfortable accommodation for family cruising and provides excellent flexibility for guests, while the spacious cockpit creates a sociable area for relaxing in harbour or underway.

Recent upgrades including a new fridge, new safety equipment, professional underwater maintenance and a full engine and gearbox

service in 2025 give buyers confidence that much of the essential work has already been completed. The standing rigging was renewed in 2019, solar panels provide useful off-grid capability and the addition of a bow thruster makes handling straightforward.

Well equipped, well maintained and ready for the season, Stella offers an excellent opportunity to acquire a proven cruising yacht requiring minimal preparation before enjoying Mediterranean cruising.
