DESCRIPTION

2021 Excess 11 sailing yacht, currently lying in Lefkas Marina and presented in a well-equipped, ready-to-use condition. This modern catamaran combines sporty sailing performance with a practical, easy-to-manage layout, making it an excellent option for relaxed island hopping with family and friends.

The yacht offers a versatile accommodation arrangement with four double guest cabins, two additional single berths in the bow compartments, and a convertible saloon, comfortably sleeping up to ten. The cockpit and helm areas are well designed for sociable time on board, featuring twin helm stations, full exterior cushions, biminis, and a spacious aft seating area with excellent storage.

Powered by twin Yanmar 29HP engines, both recently serviced in December 2025 along with the sail drives, she benefits from a reliable and efficient setup. The sail plan includes a square top mainsail and self-tacking jib, making her straightforward to handle whether short-handed or with guests on board.

A strong specification includes Raymarine navigation electronics,

solarpanelswith Victron charging, AGM battery bank, electric toilets, hot water system, and a full inventory of cruising equipment. Supplied with a 2.90m RIB tender (2025) and Honda outboard, she is fully equipped for immediate use.
