Broker Remarks

The **Hanse 540E** is a very stylish, fast and comfortable performance-cruiser from the drawing board of German designer Judel/Vrolijk & Co. With her powerful sailplan, modern hull lines and efficient appendices the **540e** offers sparkling performance and lots of fun on the water. Nevertheless she can easily be handled by a small crew thanks to self-tacking jib and the cockpit layout designed for short handed sailing. The clean, unobstructed decks and the square, low coachhouse profile create a very elegant appearance. Spacious, wide cockpit with two helm stations and free access aft to the electro-hydraulic swim platform. Spacious tender garage below aft deck. Hull in stiff, light and very durable construction in epoxy prepreg. Well equipped with a 6 kW generator, Webasto heating and AirCon in the saloon.

Accommodation

Full Specification

DIMENSIONS

- LOA: 16.10 m
- LWL: 14.61 m
- Beam: 4.91 m
- Draft (max/fixed): 1.95 m
- Displacement: 18700 kgs
