This is an exceptionally well-equipped example.

BROKER'S REMARKS

The Bavaria 39 Cruiser is a highly sought-after family cruiser, offering exceptional comfort and space for its size. With a 3-cabin, 2-heads layout, and light interior finishes, this yacht feels spacious and inviting. The owners have clearly maintained her to a high standard, and she is ready for her next adventure.

She has had one owner from new and is well cared for and has some nice upgrades. The teak deck is in poor condition in places and probably could do with replacing or removal. This is reflected in the price.
