Endurance 44

Broker Remarks

A true bluewater cruiser with classic lines and serious offshore capability, this **Endurance 44** was professionally self-built to the renowned Peter Ibold design in Bodrum, Turkey, between 1992 and 1994. Solidly constructed in wood with teak and oak detailing throughout, she combines seaworthiness with traditional charm. Fitted with a dependable Mercedes OM 616 engine, hydraulic steering, and a full teak deck, she is ideal for extended cruising or liveaboard use. Her well-protected pilothouse and practical interior layout offer comfort, simplicity, and durability for those seeking self-sufficiency at sea. Recently antifouled (April 2025) and serviced, she is presented in very good order and is ready to sail.

HIGHLIGHTS LISTED BELOW BUT INCLUDED IN FULL SPECS:

REMARKS

This Endurance 44 offers timeless design, solid craftsmanship, and a practical layout ideal for long-distance voyaging. With essential cruising gear including solar charging, inverter, and navigation systems, she provides a reliable and comfortable platform for her next adventurous owner. The hull and systems have been well-maintained, with documented service history and no known defects. A genuine ocean-going yacht, she's well suited to sailors with ambition and an appreciation for traditional wooden construction.
