Bavaria Cruiser 42

Broker Remarks

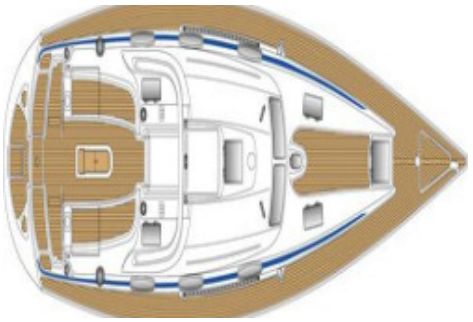

Bavaria 42 Cruiser

Privately owned, VAT paid, and always private — *Suntana* is a lightly used and exceptionally well-presented example of the popular Bavaria 42 Cruiser. Lying in the Ionian and owned by just two careful owners since new, she has been used purely for private summer cruising, typically 4–5 weeks a year. With her desirable 3-cabin, 2-head layout and a strong spec, she's ready to step aboard and enjoy.

Highlights

- **VAT paid** – private ownership only
- Never chartered – light personal use
- 3 double cabins, 2 heads layout
- Engine hours: 1,270 (as of Oct 2024)
- Volvo D2-55 with new saildrive (2016)
  (Sail drive Seal Replaced Oct 2025)
- Bow thruster – Vetus
- Battery system upgraded in 2024
- Extended davits & custom carbon gangplank
- Re-upholstered interior with LED lighting
- Good sail inventory including gennaker
- Teak cockpit, solar panels, electric windlass

Why She Stands Out

Suntana has clearly been cared for — her owners have kept her

inexcellent condition with regular servicing and considered upgrades. The engine has low hours, the systems are well-maintained, and recent investments include new batteries, a saildrive unit, and interior improvements. Her extended davits, monogrammed gangplank, and thoughtful extras add real cruising comfort. This is a turnkey yacht ideal for Mediterranean family sailing.

Broker's Remarks

This Bavaria 42 Cruiser offers genuine value in today's market — never chartered, VAT paid, and sensibly upgraded for easy Ionian cruising. A solid choice for buyers looking for a privately owned, well-specified 40-footer in the Med. Lying afloat in Lefkas and available for inspection by appointment.

Contact Network Yacht Brokers Lefkas today for full details or to arrange a viewing.

Accommodation

ACCOMMODATION
