A Heavily Upgraded, Turn-Key Example of a Modern Classic

We are delighted to present this exceptional 2009 Sealine SC35, a vessel that perfectly balances contemporary styling with practical, spacious cruising capabilities. As visible from the images, her striking aesthetic has been completely modernised with a premium grey hull wrap (completed in 2024), giving her a highly desirable, contemporary edge on the water.

This particular SC35 stands out from the crowd due to an extensive, no-expense-spared upgrade program over the last few years, leaving her fully equipped for long-range cruising and independent off-grid anchoring.
