Segue X7 Black Edition

Broker Remarks

To launch the NEW SEGUE X7 BLACK EDITION 76ft Flybridge yacht from Segue in Europe and the Middle East we are offering a unique opportunity to acquire a share of ownership at a genuinely remarkable price.

The NEW SEGUE X7 BLACK EDITION 76ft Flybridge yacht from Segue introduces market leading design, specification, and space with full customisation options.

Segue have been building yachts for over 50 years in the Americas.

To celebrate this milestone we have launched into Europe and the Middle East with the new X range of yachts. These yachts feature engines from Volvo and MAN, renowned for their performance and reliability in the marine industry, alongside industry leading electronics from Simrad, Raymarine, and Samsung ensuring navigation precision, safety and entertainment capabilities.

All Segue yachts offer large and versatile entertaining areas, perfect for hosting gatherings or simply relaxing with family and friends, with well thought out and customisable cabin configuration, maximising space utilisation and comfort for extended stays on board.

Eachyacht can be fully customised to be perfect for you and comes with a market leading 8 year hull warranty and 5 year engine warranty.

Every Segue yacht is unique; we invite you to visit the factory whilst your yacht is being customised to meet our team of craftsmen.

With 50 years of experience and heritage, we offer full customisation options which include external colours and internal finishes as well as layout options to ensure that your fully bespoke yacht is perfect for you.

Included in the cost of customisation our clients are invited to visit the factory in Buenos Aires where they can meet the team to discuss any aspect of the yacht whilst it is in build and water test an appropriate vessel whilst enjoying the vibrant city and culture.

Customise your experience and be ready to embark on the journey of a lifetime.
