# Moody Lancer

## Broker Remarks

The Moody Lancer was designed and constructed to Lloyd's A 100 standards. Hull molded by Tyler & Co. Design brief was for sea and inland water ways and she has pretty lines and underwater profile for stability. Ships log includes passage from UK to Black Sea. Current owner purchased in Greece and returned to Dingle. "Amida" is adaptable in many ways and a wonderful sea kind cruising vessel. Narrow enough for loughs and canals and an excellent sea boat. Spacious interior with live aboard options.

## Accommodation
