## Broker Remarks

**Sunseeker Portofino 400 for sale in Kent, reduced to £49,950**

This **Sunseeker Portofino 400** motorboat was built in 1998 and is a great example of the very popular cruiser. This motorboat offers excellent light and spacious accommodation for up to four people in two good-sized cabins. This Sunseeker Portofino has been well maintained and looked after by the current owner, and is ideal for coastal use, channel hopping in comfort or cruising rivers. This vessel is just being prepared for the 2026 season, including:

Carry out full outdrive service to both outdrives  
Replacing all bellows, gear lube hose and through tube,  
Trim pin nuts, bushes and anodes,  
Remove the starboard prop shaft to the workshop and replace seals.  
Replace short trim hoses on the starboard outdrive  
Bleed system  
Spray antifoul on the outdrive using International Trilux  
Antifoul and polish the hull  
Relaunched on **26th January 2026**

**Please call our Kent Office +44 (0)1634 571605 for further information or to arrange a viewing.**

## Accommodation

The **Sunseeker Portofino 400** sleep's up to eight people in two cabins, a large saloon and very spacious cockpit which provides a fantastic entertaining space.

The owner's cabin is forward with a large double island berth with under berth storage and a hanging wardrobe to the starboard side with additional shelf storage to both port and starboard. This cabin is well lit by an overhead opening deck hatch above the bed and two opening port holes to both port and starboard. This cabin also benefits from a wall mounted TV.

Moving aft, the heads are located on the starboard side, with a white sink mounted in a vanity unit with hot and cold pressurized hot water, marine toilet, and built in shower with doors and tray. Hot water is provided by a Calorifier water heater and 240v immersion heater. These heads benefit from a Jack and Jill door giving access from the saloon and the owners cabin.

The main saloon is very luxurious with a U-shaped settee to port with saloon table that can drop and make into an additional berth if required. Cupboard storage above with two opening port lights.

Opposite this seating area on the starboard side is the galley, consisting of worktops, plenty of cupboards, a single stainless-steel

sink with pressurised hot and cold water heated by the engine's, electric hob and Microwave. The saloon also benefits from TV and fusion CD player and Radio.

Aft of the saloon and amid-ships is the guest accommodation with two single berths and hanging wardrobe and cupboard storage. This Sunseeker Portofino benefits from an Eberspacher diesel heater supplying heat to the main saloon, owners' cabin and guest cabin.

The companion way steps lead to a very roomy open plan cockpit area with seating to the port, and the helm position to starboard. The helm area consists of main engine controls navigation aids and vessel control switches. This cockpit benefits from a rear seating area located on the port side with a U-shaped settee and table opposite an external cockpit galley area with a stainless-steel sink with hot and cold water, fridge and TV. This cockpit gives access through a transom door to the bathing platform.

# Mechanical and Rigging

## Mechanical Systems

This Sunseeker Portofino has two Mercruiser Cummins, 320HP diesel engines, powering two outdrives with 2 x 3 bladed bronze propellers. The outdrives were last service in July 2024 as well as changing the bellows to both outdrives at the same time. The engines are supplied by a 1000-litre fuel tank. To make handling easy, this boat is fitted with, a Bowthruster, Trim tabs and Hydraulic steering. Engine hours as at 7th May 2026 Port 361 Starboard 354

This vessel is just being prepared for the 2026 season, including:

Carry out full outdrive service to both outdrives  
Replacing all bellows, gear lube hose and through tube,  
Trim pin nuts, bushes and anodes,  
Remove the starboard prop shaft to the workshop and replace seals.  
Replace short trim hoses on the starboard outdrive  
Bleed system  
Spray antifoul on the outdrive using International Trilux  
Antifoul and polish the hull  
Relaunched on **26th January 2026**

## Electrical Systems
