Salpa Laver 31.5

Broker Remarks

Salpa Laver 31.5 for sale in Kent £64,950

This **2002 Salpa Laver 31.5** is an exceptional example of this stylish Italian sports cruiser and is presented in **immaculate, almost as-new condition**. Having been in the ownership of the same owner for approximately 25 years, she has clearly been cherished and maintained to an exceptionally high standard.

The current owner has recently invested **over £11,000** in preparing the boat for her next owner, including a lift-out, fresh antifouling, hull polish, refurbishment of the stern-drive legs and engine servicing.

The interior is particularly impressive, with a beautiful combination of **cream leather upholstery and rich gloss walnut joinery**, giving the accommodation a luxurious and timeless feel. The cockpit is equally well presented, benefiting from a recent cockpit cover, while the seating has always been protected by covers when not in use.

This is a rare opportunity to acquire a beautifully maintained and extensively cared-for Salpa Laver 31.5 that is ready to be enjoyed. The only reason for sale is that the

owner now feels it is time to move up to a larger boat.

Early viewing is highly recommended, as boats presented to this standard rarely come onto the market.

Accommodation

The **Salpa Laver 31.5** offers spacious and comfortable accommodation for up to six people, with approximately 2 metres of headroom throughout much of the interior. The accommodation is finished with attractive cream leather upholstery, rich, well-cared-for high-gloss interior, creating a light and comfortable environment for weekends afloat or longer cruises.

The saloon provides a sociable seating area around a central dining table, with additional berths available when required. The well-equipped galley features a **two-burner gas hob, microwave, 12V refrigerator with freezer compartment, sink and ample storage**, together with a radio/CD player and TV.

The separate heads compartment is fitted with a **marine toilet, wash basin and shower**, together with a substantial **100-litre holding tank**.

Pressurised **hot and cold water** is supplied throughout the boat, including the galley, heads and cockpit, from a **200-litre freshwater tank**. The hot water is heated by the engine via a Calafior tank and via a 240V immersion heater.

One of the standout features is the **large aft cockpit**, which provides an excellent space for relaxing and entertaining. It incorporates

generous seating around a cockpit table, together with a useful sink, making it ideal for enjoying time aboard with family and friends. The Salpa Laver 31.5's generous layout and sociable cockpit make her a particularly versatile sports cruiser.

Mechanical and Rigging

Mechanical Systems:

Located beneath the cockpit sole are twin Mercruiser 5.0 RFL 260HP petrol engines, with circa 500 hours run. Engines last fully serviced in August 2026, when the outdrives were professionally replaced. Features include EDC electronic dual-lever controls, hydraulic power steering, 3-blade duo propellers, and full engine instrumentation. Two fuel tanks with a capacity of 250 Litres each. This Salpa Laver 31.5 will cruise at 28 knots and has a maximum speed of 36 knots with a clean hull. It is fitted with hydraulic trim tabs

Electrical Systems:

5 x 12V batteries (2 x 12 Domestic, 2 x Engine start batteries and 1 x Anchor winch), all new in 2026, charged via engine alternators; 240V shore power system with ring mains, battery charger (new 2020). It has a 240v immersion heater coil fitted. 12v Sockets.
