BWA 34 EFB RIB

Broker Remarks

BWA 34 EFB – 2015 (more photos to come)

**520 HP of Twin Diesel Power | Sporty Performance |
Comfort on Board**

Love the thrill of a RIB, but want more than just speed? The BWA 34 EFB combines powerful twin diesel performance and sporty handling with the space and comfort to make every day on the water an occasion.

Powered by twin Mercury V6 TDI engines delivering a combined 520 hp, she is ready for exhilarating runs along the coast, exploring hidden bays and making the most of time at sea. Joystick control, a bow thruster and the Mercury Skyhook virtual anchoring system are a joy when manoeuvring or holding position.

Once at anchor, the generous cockpit comes into its own. New exterior upholstery fitted in 2025 gives the seating and spacious sunpads a fresh, luxurious feel, creating an inviting space to stretch out in comfort. The dining table and bimini provide the perfect setting for lunch in the shade or an afternoon in the sun. Teak decking and large bathing platforms make swimming stops and lazy afternoons at anchor all the more inviting.

And when the

day doesn't need to end at sunset, there's a double cabin and a separate bathroom with electric toilet and shower for comfortable overnight stays. Two refrigerators, pressurised fresh water, 220V shore power and a Fusion sound system complete the onboard setup.

Navigation is well catered for with a Garmin GPSmap 7412 XSV chartplotter, sounder and autopilot. An electric windlass with Quick chain counter completes the practical equipment for days spent exploring the coast.

Stored ashore every winter in Grimaud, this BWA 34 EFB offers an appealing blend of sporty performance, relaxed outdoor living and the freedom to turn a day out into a weekend away.

EXTRA: Possibility to purchase Trailer
