ANTIBES MORE PHOTOS TO COME**

CAMMENG 85 JACHTBOW built 6 of the Pacific Class 85, Gentlemen's' yacht in steel. Designed by William de Vries Lentsch.

This Cammenga Pacific Class 85 was commissioned by the Rothschild family and is likely the best Cammenga Pacific Class 85 Motor Yacht on the market today. A magnificent gentleman's yacht, the interior is particularly pleasing with elegant woodwork throughout with a high gloss finish. All the charm of a classic yacht has been preserved whilst upgrades and refitting have taken place over the years. Indeed, the current captain is incredibly knowledgeable and has been on board for the last 10 years.

The layout has a very nice owner's cabin on the main deck and the dining room forward providing a luminous dining area with spectacular views. Dining can also be taken alfresco on the aft deck. The crew area is dedicated below decks and adjoining a fully functional galley, so separate guest and crew areas.

This Yacht's servicing history shows an impressive level of annual maintenance. Italian flag dictates stringent checks

Featuring a large Bridge deck and aft cockpit area providing shaded dining and plenty of space for relaxation. AYLI is a true Classic inside and out and must be seen.

We are thrilled to showcase **AYLI** a true gentleman's yacht as a new listing for our Antibes office | Viewing by Network Yacht Brokers Antibes.

Accommodation

The interior is expertly laid out and detailed and is kept in a classic nautical style with warm burl wood raised panelling, highest quality furniture, textiles and carpeting. The yacht is a witness to timeless understated elegance and an owner's love of the sea.

AYLI can accommodate 8 guests in Four elegant cabins, one Master Stateroom, one VIP cabin, one twin cabin with a pullman bed, and a charming single cabin.

Below deck an impressive and well equipped galley with large fridges and Pantry, with crew area. Forward is a crew cabin for 3, and the Captain's ensuite cabin is situated on the bridge.
