- **Drive Type:** Shaft drive

Rodman Spirit 31

Broker Remarks

This five berth Rodman Spirit 31 was built in October 2022 (2023 Model) and was commissioned in June 2023. She is powered by a shaft driven Volvo D4 320hp diesel engine, with only 20 engine hours with a max speed of 28 knots. She has the added advantage of a bow thruster and a stern thruster which makes her very easy to handle in tight spaces. Her layout consists of a bright and airy saloon / wheelhouse / galley, heads with shower, owner's cabin and a visitor's cabin. Her inventory includes, hot air heating, shore-power, radar, chart-plotter, autopilot, DSC VHF, trim tabs, electric windlass, flexiteak decks, full cockpit tent and a lot more. This is an excellent opportunity to purchase an almost new Rodman Spirit 31 at a considerable saving from the new price. Viewing is highly recommended and please note that this boat is E.U. VAT PAID.

Mechanical and Rigging

Volvo D4 320 HP Shaft driven diesel engine.

Rope cutter

Builders Remarks

"Discovering new moments and living new experiences on board, is something innate on the Rodman Spirit 31.

When the boat is anchored, the way the aft seating opens, transforms the cockpit and the bathing platform into a completely integrated arrangement, leaving an ample and comfortable space to enjoy the sun and the sea.

Simply relaxing in your spare time aboard, with family, friends or by yourselves, becomes an experience in itself.

A new concept to enjoy the sea."
