Interboat 19

Broker Remarks

This 2024 Dutch built Interboat 19 is a beauty and is in, as new condition. She has wheel steering and is powered by a shaft driven 27HP Vetus diesel engine. Her Inventory includes a complete set of cockpit cushions with back rests, sprayhood, boat cover, swim ladder, stainless steel anchor with chain and warp, mooring lines and fenders. She can carry up to 9 people and would be ideal for inner harbour, lake and river use. She is one of the nicest boats that I have seen of this type.

Mechanical and Rigging

Vetus 3 Cyl.

12 Engine Hours

3 x Blade propeller

Fuel/Water separator

This model started life back in 1996 and has had many modifications over the years. She has exceptionally good inboard seating and can take 9 people comfortably.

Aft centre console with wheel steering and grab rail

Cockpit cushions all round with back rests

Engine cover lifts up giving excellent all round access to the engine

2 x lockers at either side of the cockpit

Anchor locker with a stainless steel anchor

Chain and warp

Numerous cleats including amidships

Stainless steel grabrail around the aft end of the cockpit

Transom mounted stainless steel boarding/swim ladder

Stainless steel rudder protection

Stainless steel bow protection

Manual bilge pump

Sprayhood

Boat cover

Numerous cup holders

This is truly a sweet boat. The owner is reluctantly selling because he does not have the time to use it. "Tern II" is like new and there is a considerable saving on price compared to the cost of a new boat.

Builders Comments

The Interboat 19 is a beautifully finished sloop with a timeless design, with her beautiful sheer and clinker-built hull. Suitable for Category C (coastal waters) and is ideal for exploring both small and large waters. The spacious cockpit offers very comfortable seating for nine people. The high backrests and deep seats ensure hours of cruising pleasure.
