## Broker Remarks

This 2006 Trophy 2052 Walkaround is powered by a MerCruiser inboard 120hp diesel engine with a reconditioned stern drive leg. She is an excellent sea boat with her wide flaring bow and her self draining cockpit. Her high sides make for a secure and safe cockpit. Her inventory includes, a semi-enclosed wheelhouse, helm and co-pilot seats, two berths, chart-plotter, VHF, rod holders and twin axle galvanised trailer. She has just been reduced from €19,500 to €16,000 which reflects excellent value!
