Jeanneau Sea Loft 480

Broker Remarks

The Sea Loft 480 is not simply a boat. It is an interlude, a floating villa that follows you from one island to the next. In a world where everything moves too fast, of overcrowded beaches and overwhelmed senses, stepping aboard the Sea Loft 480 is a return to the essential. From the moment you step aboard, the pace slows. Silent, environmentally respectful cruising, reassuring stability, open living spaces bathed in light… every detail invites you to unplug and relax, to reconnect with yourself, with nature, and with others. The sea becomes your address, within the space of a beautiful getaway.

Accommodation

The Sea Loft is designed to offer quality time. Cooking together in the exterior galley, sharing a drink on the fold-out terraces, reading in the shade of the bimini, diving into turquoise waters from twin aft swim platforms. Each moment is etched in memory. Whether cruising as a couple, with family, or with friends, the boat adapts to all uses and enables each person to live at their own pace. Children can play on the foredeck in complete safety while adults relax on the aft transom. Cruise, relax, cook, converse… without hassle. The Sea Loft embodies a new generation of silent, environmentally respectful cruising. With electric power and clever energy management, you can enjoy the sea without noise, without hassle, and without stress. In short: you can fully experience each moment of your vacation.
