Beneteau Beneteau Oceanis 43

Broker Remarks

The Beneteau Oceanis 43 combines the craftsmanship of pre-2010 hand-laminated mass-production boats with the comfort of today's spacious, dual-ruddered cockpit design.

In 2023, this Oceanis 43, originally brokered by us five years ago, received a complete upgrade: all wiring and terminals were replaced with new Blue Wave components from Denmark, a new-generation Raymarine chart plotter and navigation instruments were installed, and a new Quantum Genoa sail, bimini, and sprayhood were fitted.

With its maintenance fully completed in 2023, this Oceanis 43 is fully ready for sailing.
