Leopard Catamarans Leopard 38

Broker Remarks

Leopard 38, built in 2010, is a well-known and proven sailing catamaran offering excellent balance, safety and performance at sea. This particular yacht stands out with her racing background, having achieved 1st place in the Catamaran class and 2nd place in the Multihull class at the 2025 Bodrum Cup.

She features a 4-cabin layout with accommodation for up to 10 guests, making her ideal for both private cruising and extended sailing adventures. Powered by twin 58 HP diesel engines, the yacht is reliable and easy to handle.

Major maintenance on the engines, hull and sails has recently been completed, and all systems are fully operational. The yacht is actively in use and well cared for.

Additional equipment includes Webasto heating, inverter and actively working solar panels. The sale also includes a Highfield 270 tender with a Parsun 9.9 HP outboard engine (2025 model). Currently afloat and ready for her next owner.

Accommodation

The Leopard 38 offers comfortable accommodation with a practical four-cabin layout, providing sleeping space for up to ten guests. The interior includes a spacious saloon with dining area and a well-equipped galley suitable for extended cruising.
The yacht features two heads with separate showers, both en-suite, offering privacy and convenience for owners and guests. Hot and cold pressurised water is available throughout the vessel.

Well ventilated and thoughtfully designed, the accommodation spaces are bright and functional. Heating is provided by a Webasto system, allowing comfortable use in cooler seasons, making this yacht suitable for both coastal cruising and longer sailing periods.

Mechanical and Rigging

Twin Yanmar 58 HP diesel engines provide reliable and efficient performance, well suited for both cruising and maneuvering. The yacht is equipped with sail drives and wheel steering, ensuring smooth handling and ease of control. Major engine maintenance has been recently completed and the vessel is actively used.

Sloop rig with mast and sails in good working condition. Recent maintenance on sails and rigging has been carried out, supporting safe and balanced sailing performance. Additional onboard systems include inverter, solar panels and Webasto heating, enhancing comfort during extended stays on board.

The yacht is well equipped for comfortable cruising and extended stays on board. Accommodation includes four cabins with ample storage, a spacious saloon and fully equipped galley. Interior features include refrigerator, deep freezer, cooker, kettle and hot water system.
On deck, the yacht is fitted with mast and sails, electric windlass, anchor and chain, bimini top, sunbathing areas, swimming ladder and davits. Safety equipment includes life jackets, lifebuoys and fire-fighting equipment.

Navigation and electronics equipment include GPS, chart plotter, radar, autopilot, VHF radio, compass, speed instruments, TV and satellite system, and onboard music system.

Electrical systems include AC/DC power, batteries, inverter, solar panels, bilge pumps and freshwater pressure system. Tankage consists of fuel, fresh water, grey water and black water tanks.

The yacht is offered with a Highfield 270 tender featuring a Parsun 9.9 HP outboard engine (2025 model).
