Sunseeker Sunseeker 60

Broker Remarks

This 1995 **Sunseeker 60** represents the classic British-built performance motor yacht ethos for which the brand is renowned. With an overall length of 18.11 metres and a beam of 4.70 metres, she offers confident handling and a comfortable ride thanks to her deep-V GRP hull.

Powered by twin engines delivering a combined output of 3,040 BHP, she reflects Sunseeker's sporty DNA of the 1990s. Turkish flagged, with port of registry in Çe?me and currently located in Bodrum, this yacht is an attractive option for buyers seeking performance, heritage and timeless Sunseeker styling in one package.

Mechanical and Rigging

The yacht is powered by twin diesel engines producing a combined output of 3,040 BHP. Shaft drive propulsion and hydraulic steering provide reliable handling and a stable cruising experience. The machinery layout is well suited to Sunseeker's performance-oriented hull design, ensuring efficient power delivery and ease of operation. Full engine make, model and running hours are available upon request.

The Sunseeker 60 reflects the brand's classic approach to comfort and performance. The cockpit offers a sociable layout suitable for outdoor living, while the interior features a spacious saloon and well-planned accommodation areas.

The deck layout is designed for ease of movement and safe operation. Sunseeker's timeless interior styling includes functional furniture, good natural light through large windows and quality finishes throughout. Full details of onboard equipment and inventory are available upon request.
