Jeanneau DB/37 IB

Broker Remarks

The Jeanneau DB/37 IB is a modern and versatile day cruiser, combining performance, comfort, and contemporary design. Built in 2024 and powered by twin Volvo Penta D4-320 diesel engines, she offers smooth handling, efficient cruising, and low engine hours.

Designed by Camillo Garroni, this model features a spacious cockpit with opening side terraces, creating a true beach club atmosphere ideal for entertaining. The hardtop design ensures protection and usability in all weather conditions.

Below deck, the yacht offers two well-appointed cabins accommodating up to four guests, making her perfect for weekend getaways. Equipped with generator, bow thruster, and tender, she is ready for immediate use.

A stylish and practical option for those seeking a premium lifestyle boat in excellent condition.

Accommodation

The Jeanneau DB/37 IB offers comfortable accommodation for up to four guests in two well-designed cabins. The layout includes a forward master cabin and a guest cabin, both finished in a modern and elegant style.

The interior space is bright and practical, featuring a fully equipped galley, a comfortable seating area, and a shared bathroom with shower. Designed for weekend cruising and short stays, the yacht provides a perfect balance between indoor comfort and outdoor living.

Mechanical and Rigging

Powered by twin Volvo Penta D4-320 diesel engines with low engine hours, the Jeanneau DB/37 IB delivers smooth performance and efficient cruising. The stern drive system ensures excellent maneuverability and responsive handling.

Equipped with bow thruster for easy docking and a Fischer Panda generator for onboard comfort, the yacht is designed for reliable and user-friendly operation. Regularly maintained and in excellent condition, she is ready for immediate use.

Deck & Cockpit Equipment:

Spacious cockpit with large sunbathing area, opening side terraces creating a beach club atmosphere, teak cockpit flooring, cockpit table, exterior galley with sink and storage, bathing platform with swim ladder, cockpit shower, and hardtop for all-weather protection.

Navigation & Electronics:

Raymarine navigation system including chartplotter and fish finder, VHF radio, compass, and full engine instrumentation.

Mechanical & Electrical:

Twin Volvo Penta D4-320 diesel engines with stern drive system, bow thruster for easy maneuvering, Fischer Panda 8kW generator, shore power connection, and solar panel system.

Interior & Comfort:

Modern interior with two cabins accommodating up to four guests, equipped galley, refrigerator, marine toilet, and comfortable seating areas.

Additional Equipment:

Eastmarine 2.40 tender included, full set of mooring equipment, fenders and warps.
