Sea Ray 460 Sundancer

Broker Remarks

Well-maintained Sea Ray 460 Sundancer powered by twin Caterpillar diesel engines. A spacious and comfortable express cruiser featuring a practical 2-cabin / 2-head layout, generous cockpit seating area, wet bar, large swim platform, and wide sunbathing spaces.

The yacht offers excellent onboard volume for her class together with a bright and functional interior arrangement ideal for family cruising, entertaining guests, and extended weekends onboard.

Equipped with generator, Raymarine electronics, shore power connection, and full camper canvas enclosure. The cockpit layout provides comfortable outdoor living areas while the interior offers a well-balanced combination of accommodation and practicality.

A classic American-built sports cruiser combining strong performance, reliable machinery, and comfortable living spaces.

Accommodation

The yacht offers a spacious and practical 2-cabin layout designed for comfortable family cruising and extended weekends onboard.

Forward master cabin features a large island double berth together with ensuite facilities and generous storage spaces. The mid cabin provides additional accommodation with convertible seating arrangement suitable for guests.

The saloon area is bright and comfortable with a functional galley layout, dining area, and practical onboard living spaces. Large side windows and open interior arrangement provide an airy atmosphere throughout the accommodation.

The cockpit is designed for outdoor living and entertaining, offering generous seating areas, wet bar, sunbathing spaces, and direct access to the extended swim platform.

A classic American express cruiser combining comfort, practicality, and spacious onboard living.

Mechanical and Rigging

Twin Caterpillar 3208 inboard diesel engines delivering reliable performance and comfortable cruising capabilities. Shaft drive configuration combined with hydraulic steering provides stable handling and dependable maneuverability.

The yacht is equipped with generator, shore power connection, and Raymarine navigation electronics. Engine room access is practical and suitable for regular maintenance requirements.

A well-known and proven American express cruiser platform offering a balanced combination of performance, onboard comfort, and usability for coastal cruising and extended weekends onboard.
