Custom Built X Shore Eelex 8000

Broker Remarks

2023 X Shore Eelex 8000 presented in near-new condition with only 1 operating hour since new.

This innovative electric motor yacht combines silent performance, zero-emission cruising, and modern Scandinavian design. Powered by a 230 HP (170 kW) electric motor with a 126 kWh battery pack, she delivers speeds up to 30 knots, a comfortable cruising speed of 20 knots, and an approximate range of 100 nautical miles in ideal conditions.

Features include bow thruster, Garmin navigation system, depth sounder, premium Bowers & Wilkins marine sound system, smartphone connectivity, quick charging capability, chemical WC, bathing platform, forward sunbed, convertible aft seating/sunpad, and premium cockpit layout.

Turkish flagged, privately owned, and located in Istanbul. An excellent opportunity to acquire an almost unused next-generation electric day boat.

Accommodation

Smart and functional open day boat layout designed for comfortable day cruising.

Forward sun lounging area, open cockpit helm station with hard top / bimini protection, and convertible aft seating area transforming into a sunpad. Equipped with chemical WC for day use convenience.

Minimalist Scandinavian design with practical deck layout and excellent passenger circulation.

Mechanical and Rigging

Powered by a 230 HP (170 kW) fully electric propulsion system with only 1 operating hour since new, this X Shore Eelex 8000 is presented in near-new condition. Equipped with a 126 kWh battery pack, she offers approximately 30 knots top speed, a comfortable cruising speed of 20 knots, and up to 100 nautical miles of range in ideal conditions. Features include an 80 kW fast charging system (20–80% in approximately 1.2 hours), standard charging capability, shaft drive propulsion, bow thruster, battery monitoring system, and advanced electric power management.
