Jeanneau Sun Odyssey 49i

Broker Remarks

2008 Jeanneau Sun Odyssey 49i

This spacious monohull sailing yacht offers four double cabins, four heads (one electric), and a shower cabin, with the forward twin cabins able to be configured into an owner's cabin. The vessel features twin rudders and is currently Polish-flagged.

The 110hp engine has 2,700 hours and was fully overhauled by Yanmar service last month, with all parts replaced and all valves renewed. The sprayhood, sun protection, and transparent panels have been refurbished, with extra sunshades added. The chain and windlass were serviced last year, with chain length increased from 60m to 100m and remote control from the helm. Anti-fouling, polishing, and waxing were completed at the end of 2023.

An inverter system has been added for 220V use at sea, alongside a Webasto heating system. All batteries were replaced three years ago, and a solar energy system supplements power requirements. Lighting is predominantly LED, including rechargeable, sensor-controlled lighting in heads and corridors.

Included with the sale: a 2.70m Honda inflatable boat
a

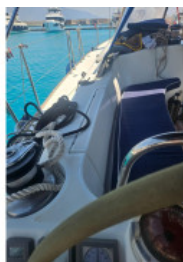

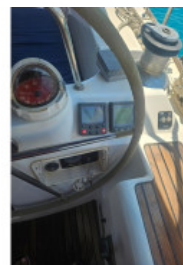

with 2.3hp Honda outboard motor, two 12" external chartplotters and other standard electronics, a 10-person liferaft, 12 life jackets, an aluminium/wooden folding gangway, fenders and covers, a spare anchor, 100m of Dynema rope and reel, and various other rope lengths, both used and unused.
